

My Favourite Festival

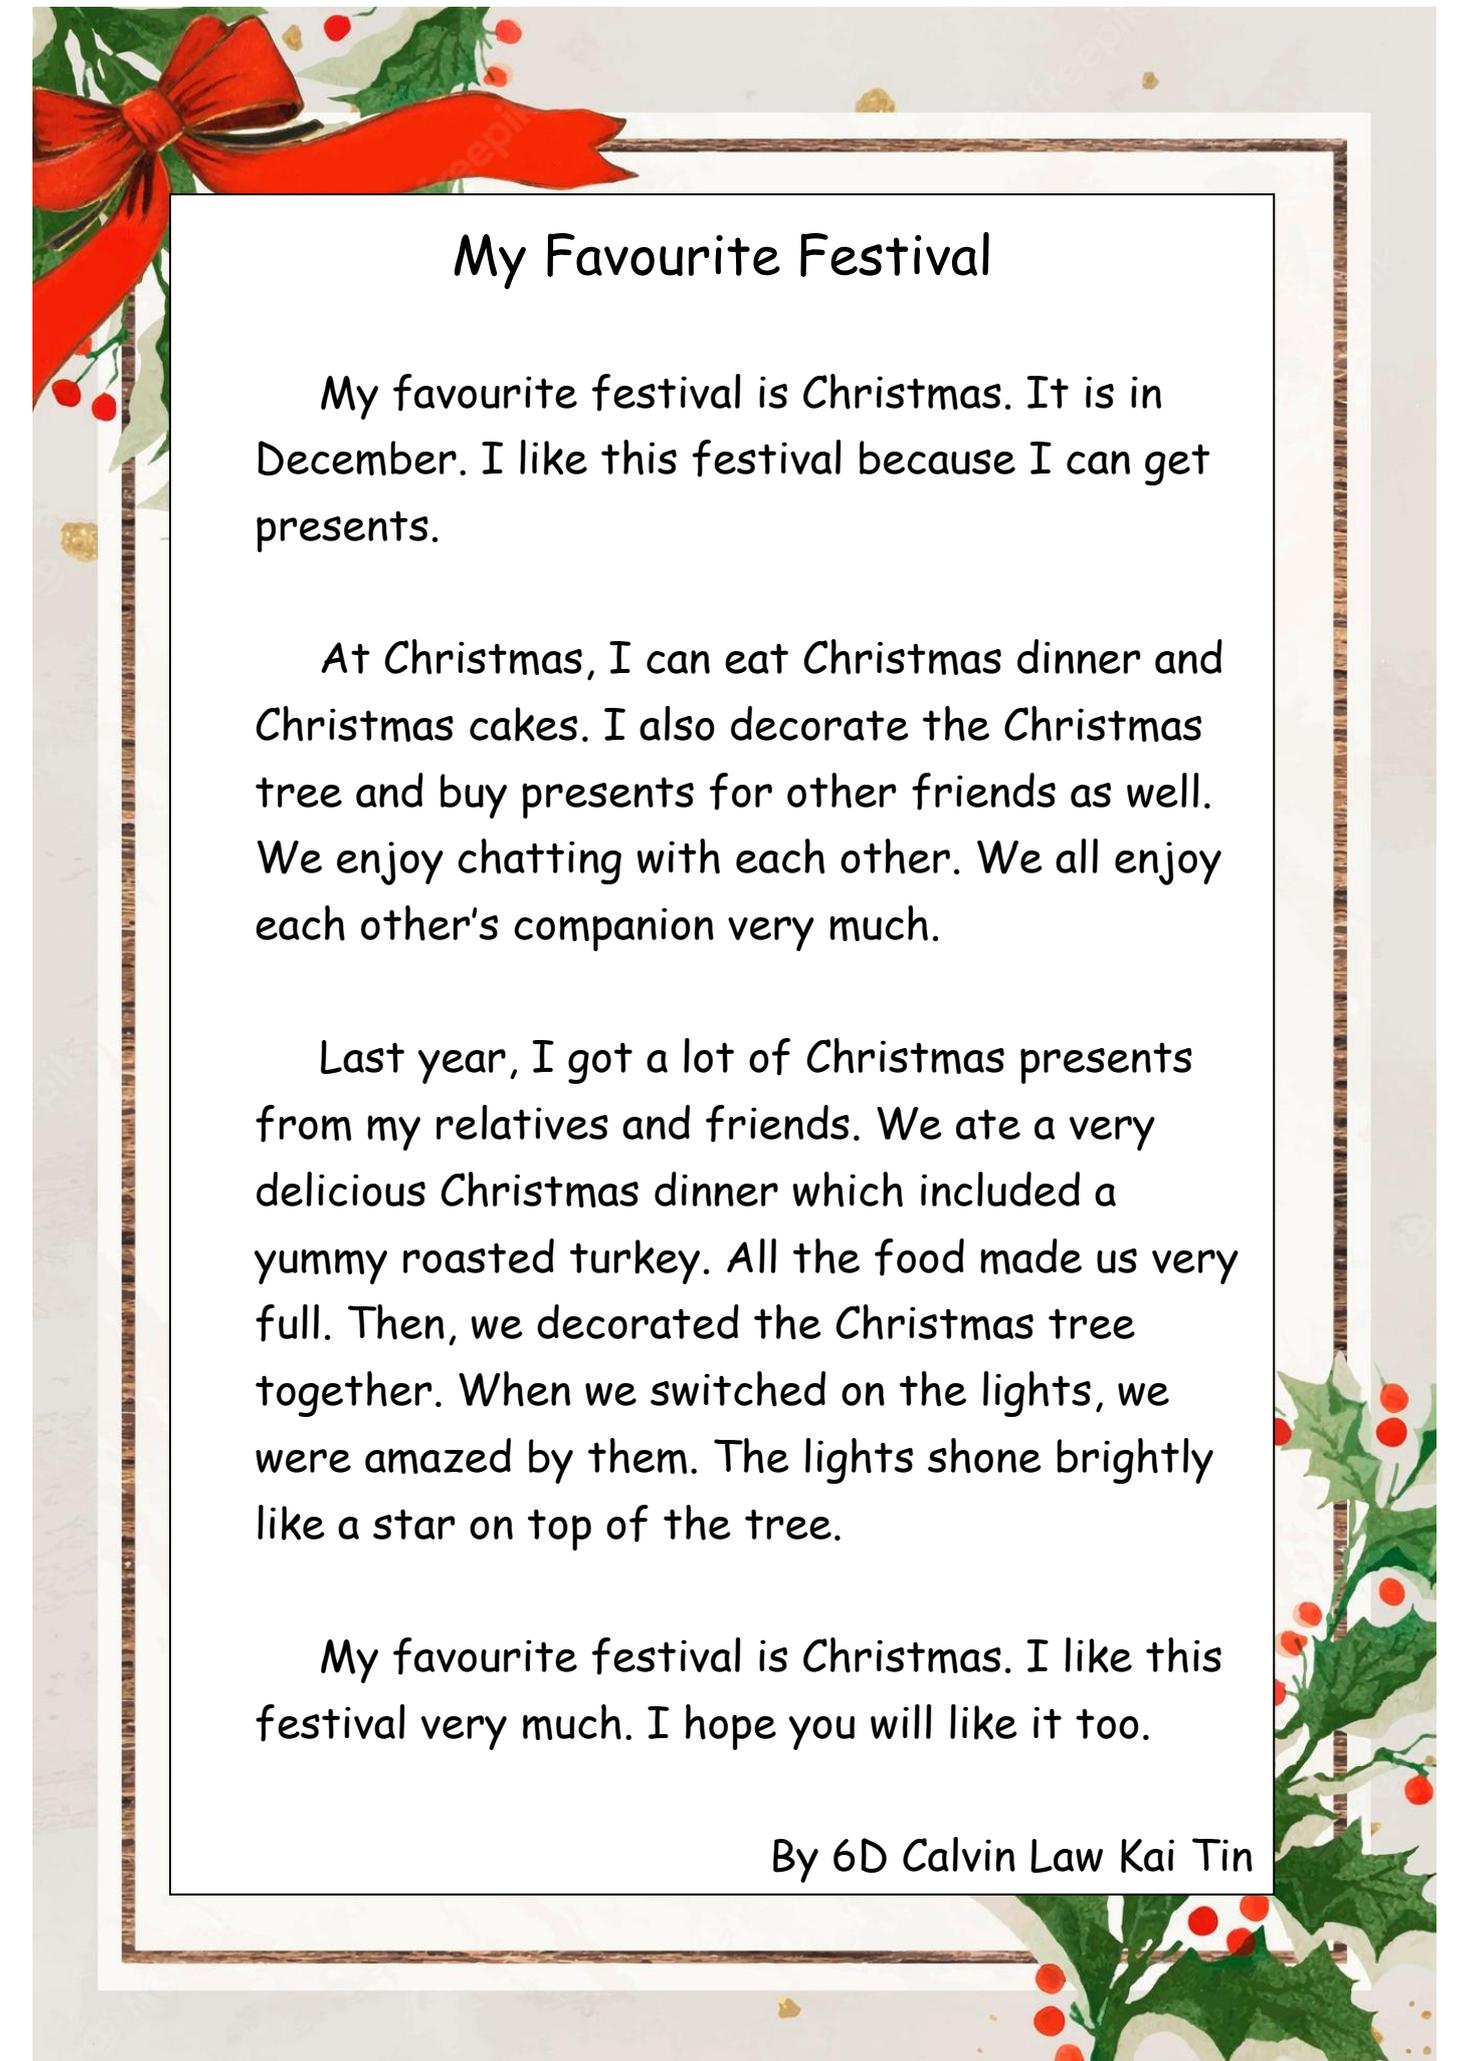

My favourite festival is Christmas. It is usually in December. There are lots of things to do at this festival. We can send presents and sing Christmas carols. I like Christmas because I can have a present every Christmas.

At Christmas, people usually say 'Merry Christmas'. They give blessings to others at this festival. We usually decorate home with a Christmas tree. We put a star on the top and some colourful lights around the tree. We would prepare some presents and put them under the Christmas tree. I like looking at Christmas lights and getting presents from my family.

Last year, I had a Christmas dinner with my family. We had a yummy turkey. We had some juice. It was a wonderful meal. After dinner, we exchanged gifts. I got a present. I was so excited about unwrapping the gift. It is a great festival for me.

It is great to have family gatherings on these cold days but it is warm in our hearts. It is full of blessings.

My Favourite Festival

My favourite festival is Christmas. It is in December. I like this festival because I can get presents.

At Christmas, I can eat Christmas dinner and Christmas cakes. I also decorate the Christmas tree and buy presents for other friends as well. We enjoy chatting with each other. We all enjoy each other's companion very much.

Last year, I got a lot of Christmas presents from my relatives and friends. We ate a very delicious Christmas dinner which included a yummy roasted turkey. All the food made us very full. Then, we decorated the Christmas tree together. When we switched on the lights, we were amazed by them. The lights shone brightly like a star on top of the tree.

My favourite festival is Christmas. I like this festival very much. I hope you will like it too.
