

Linda's lesson by 6B Alan Li

Once upon a time, there was a girl named Linda. She was selfish and greedy. When Linda and her sisters were eating breakfast, she ate all of her favourite food and didn't share her food with her sisters. Linda was lazy too. When her parents worked, she sat in front of a tree and sang happily, 'No working and no sharing. It's me, Linda!'

One day, when Linda was chasing a squirrel, she saw an old woman who was holding a crutch. She shouted rudely, 'You silly woman. You walk as slow as a turtle! Don't block my way!'

The old lady was filled with anger. She took out her magic wand and casted a spell angrily, 'Abracadaba!' At that moment, the old lady shot a magical bullet towards Linda with the magic wand. Then Linda was turned into a pig. After that, Linda shouted, 'I don't want to be a pig!' She rushed to the old lady and bumped into the old lady.

The old lady felt angry that her face turned red. She casted another spell, 'Abracadaba! Dacabraca!' Then Linda was turned into an ugly fly. Linda cried, 'I don't want to be ugly. Can you cancel your spell?' However, the old lady disappeared.

Ten years later, the most famous witch, William, came to the village where Linda lived. He casted a spell to connect to Linda's brain and heart. He noticed that Linda has become kind and polite after these years so William turned Linda into a girl. Linda learnt that she had to be polite and kind.

Once upon a time, there was a little girl named Linda. Linda was a selfish and lazy girl who never shared any food with her siblings and never helped with any housework or tasks. She often slept all day long. Nobody in the village liked her.

One day, Linda was taking a stroll around the neighborhood. While she was walking around, she stumbled upon an old woman who was walking very slowly in front of her. 'Hey you! Don't block my way! Move faster!' Linda shouted frustratingly. She felt impatient.

The old woman was annoyed. Suddenly the old woman turned around grumpily, 'Woosh!' Then she waved her magic wand at Linda and turned her into an ugly pig. 'Oh my goodness!' squealed Linda/ 'You are very rude, young lady!' shouted the old woman.

At last, Linda fortunately met a wizard afterwards. He could turn Linda back into a little girl. Linda has learnt to be a generous, hardworking and polite person. She started sharing her food more often, helping with housework more often and being polite to others.
