Hello, everyone! My name is Hung San Fung. Today I would like to introduce this book titled "Horrid Henry's Holiday" by Miranda Richardson.

This book is about Henry who went camping with his family. They went to France. When they arrived at the campsite, Henry was **disappointed** because there was no TV, shower, beds, etc. He wanted to go to other place. After that, they put up the tent and cooked. The sky got dark and rained. It rained for 4 days. At last, the tent **collapsed** so they went to another tent. They could watch TV and eat crisps there, Henry was happy at last.

The most **interesting** part of the story is when the sky got dark and rained. Then, their tent collapsed on top of them, they stood outside the rain and stared the water **gushing** through their tent. At last they went to the other tent to watch TV and eat crisps.

I like this book because it is interesting and funny. I've learnt the different camping styles and we should enjoy our holiday with our family.

I would recommend this book for you to read! Thank you!

Hello, everyone! My name is Alex. Today I would like to introduce this book titled "Charlie and Chocolate Factory" by Roald Dahl.

This book is about a boy who calls Charile Bucket. The boy lives in an old wooden house with his four grandparents and parents. One day, Charlie is walking on the street when he sees one dollar. He wants to visit Mr. Willy Wonka's chocolate factory that we buys a chocolate bar. Charile hopes that he can get the golden ticket, the last ticket.

Finally, he gets the golden ticket, and Wanka gives his chocolate factory to Charile.

The **funniest** part of the story

is when the **enormously** fat boy who calls Augustus Gloop has an accident. Augustus Gloop likes to eat chocolates. He always buys a lot of chocolates and eats them. He has seen the chocolate river behind him that he goes to the river. He was drinking chocolate when he falls.

I like this book because I know Roald Dahl's story has changed the movie. I think Roald Dahl uses some hard words that I don't know so I can **learn more words** from the book.

I would recommend this book for you to read! Thank you!
